

Leasource Financial Services, Inc.

Don't let business get away for lack of financing

1. **Determine the selling price** and provide your customer with a monthly payment from the attached matrix.

If financing is a profit center for your business, call 800-991-0099 or send an email requesting a quote with points to info@leasource.com.

If you require deposits or down payments, either collect it from the customer at the time of sale - or - once the documents are signed. We can make payment to you or reimburse the client (requires paper trail).

2. **Send the application online or by fax to 800-988-3931**

For amounts under \$125,000 we need only a completed lease application which can be downloaded at www.leasource.com and faxed to 800-988-3931 For financing over \$125,000 email us at info@leasource.com for a short list of financial statement requirements.

3. **Credit review**

Our average turnaround time is 48 hours, if the request is for a large dollar amount we will contact you the same day requesting the information we need.

4. **Documentation**

Once approved documents will be sent to the customer via overnight mail to be signed and returned to us.

5. **Funding**

Funding occurs by the next business day from receipt of the signed documents. Typically the check is sent to you by overnight mail or funds can be wire transferred if requested.
